(Trip this year May 27.....6 am-9pm)

Check out MrWilberding.com for cool links for students and parents. Brush up on basic skills, cool educational games, middle school curriculum topics. This site is not just for students!

Mt. Pleasant Discovery Museum “The Magnetic Field”

Help us build a museum! Here’s how it works:

Go home, choose a magnet from your refrigerator. You may put your name on it if you would like.

Bring it in the school office and put it into the Mt. Pleasant Discovery Museum can.

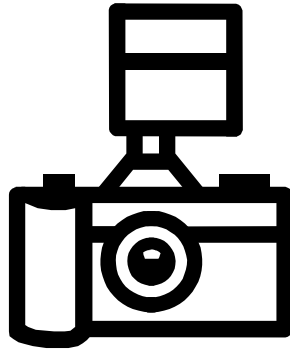

We will pick them up TODAY to display them in the gallery. You can go to the Museum of Cultural and Natural History at CMU to see your magnet and The Magnetic Field exhibit.

More information in the office.

Science Olympiad Competition
March 20
Mid- Michigan Community College
